Master the Basics

SELL UP FEATURES FROM THE passport™ 2.0 SEWING MACHINE

Thread Snips – Automatically cut top and bobbin threads, pulling thread ends to the back side of fabric.

100 Stitches – A wide variety of beautiful 7mm stitches, including utility stitches, buttonholes, decorative stitches, quilt stitches, needle art stitches and satin stitches.

PHASE 1

TECHNIQUE	SEWING	TALK ABOUT
DEMO READY 	Set: Insert an INSPIRA™ topstitch needle size 90. • Thread with regular sewing thread in the needle and the same type of thread in the bobbin. • Snap on the 0A foot. • Engage the IDT™ system.	• PFAFF® integrated dual feed or IDT™ system feeds the fabric from the top and the bottom at the same rate for smooth seams and professional results. • The IDT™ System and precision of the PFAFF® passport™ 3.0 sewing machine make it easy to achieve beautiful results.
INTRODUCTION  	• Disengage and engage the IDT™ system so your customer can see how easy it is to do.	• The IDT™ system is easy to engage and disengage.
SEW WITHOUT THREAD 	Set: Remove the thread from the needle. • Snap off the 0A foot. Select: Straight stitch, 00. • Increase the stitch length to the maximum, 4.5. • Thread tension set at 3-5. Sew: Forward and reverse.	• To see how the IDT™ system works, let's take off the presser foot and sew without thread or fabric. • See how the feed dogs work together, even in reverse.
REGULAR SEWING 	Fabric: Medium weight woven fabric. Set: Rethread the machine. • Snap on the 0A foot. • Select straight stitch to return to default settings. Sew: Fold the fabric in half. • Sew a seam along the folded edge. Open the fabric to show the customer the seam.	• The needle threader makes threading quick and easy. • The IDT™ system guarantees absolutely even fabric feeding from both the top and the bottom. You'll have beautiful results every time.
SILKY FABRICS	Set: Disengage the IDT™ system. Fabric: Lightweight stretch, tricot. Sew: One layer of tricot, into the stretch, without the IDT™ system. Set: Engage the IDT™ system. Sew: One layer of tricot, into the stretch, with the IDT™ system engaged.	• Have you ever struggled sewing silky fabrics? Without the IDT™ system, fabrics like tricot can pucker. • Engage the IDT™ system and the work is done. • No matter what fabric you use, the IDT™ system makes your sewing simple and fun!

PHASE 1

TECHNIQUE	SEWING	TALK ABOUT
JEANS HEM 	Fabric: Denim square folded in half, right sides together. Select: Straight stitch, 00. Sew: A 5/8" (15mm) seam. • Fold the seam to one side and topstitch to simulate a seam on a pair of jeans. • Fold up the "jeans hem". • Sew the hem. *Note: Keep a new, sharp needle in the machine to help with this technique.*	• Sew over heavy denim or through lightweight tricot and any other fabric smoothly and effortlessly.
CORD 	Set: Pull about 8-10 strands of thread from the needle and bobbin. Select: The zigzag stitch, 03, default settings. • Set the tension to 3-5. Sew: Place the loose threads under the presser foot. Hold onto the front and back until the first few stitches are sewn and the threads are under the IDT™ system. • Let go of the back of the threads. • Bring the threads up into the slot in the front of the foot and use that as a guide. • Continue sewing, guiding from the front.	• Create your own decorative cord for buttonholes. • When sewing directly over threads, the IDT™ System feeds the thread from the top. There is no jamming and feeding is smooth and even. • Can your sewing machine do that? • Your PFAFF® passport™ 3.0 sewing machine handles every sewing project with ease.
PROFESSIONAL BUTTONHOLES 	Show: Buttonhole Sample. Fabric: Medium weight woven fabric and stabilizer. Select: Stitch 16, the standard buttonhole. Set: Disengage the IDT™ system. Place your button in back of the buttonhole foot, 5B; snap on the foot. • Thread tension set to 3. • Lower the buttonhole lever. Sew: Fold fabric in half with stabilizer between the layers. • Place the fabric under the presser foot. Remember the buttonhole sews back first. • Lower the presser foot. • Sew the buttonhole.	• The PFAFF® One-step buttonhole foot creates perfect even buttonholes every time. • Both columns are sewn in the same direction for precise stitch quality and professional results. • Repeat the same buttonhole over and over. • Your PFAFF® passport™ 3.0 sewing machine has 4 buttonhole styles plus a button sewing stitch.

PHASE 1

TECHNIQUE	SEWING	TALK ABOUT
MULTIPLE NEEDLE POSITIONS 	Fabric: Medium weight woven fabric. Select: Straight stitch, 00. Set: Attach the 0A foot. Engage the IDT™ system. • Thread tension set at 3-5. Sew: With a single layer of fabric, sew about 1". • Touch the Stitch positioning + six times to 4.8. Sew 1". • Touch the Stitch Positioning + six more times to 6.0. Sew 1".	• Absolutely precise sewing is easy with your PFAFF® passport™ 3.0 sewing machine. • 29 needle positions make it easy to sew precise seams and perfect topstitching, create piping or insert a zipper. • Fine tune the seam for perfect positioning when creating a blindhem.
APPLIQUE 	Fabric: 2" square of print quilter's cotton, 6" square of medium weight woven fabric and stabilizer. Select: Stitch 27, blanket or pin stitch. Set: Attach the 1A foot. Engage the IDT™ system. Sew: Lay the print square in the center of the medium woven fabric with stabilizer underneath. • Position the red mark in the center of the 1A foot at the edge of the calico fabric. • Adjust your fabric so that the right swing of the needle is at the raw edge of the print square. • Activate needle down. • Sew down one side of the square. • Pivot. Sew the remaining three sides. • Deactivate needle down.	• Do you like to appliqué? It is easier than ever with your PFAFF® passport™ 3.0 sewing machine. • The markings on the foot help you align your fabric perfectly. • With needle down active, your exact stopping position is maintained as you pivot. • Using the needle down feature is like having an extra pair of hands. The needle holds your position in the fabric so you can lift the presser foot for an easy, smooth pivot.
EASY BLINDHEM 	Fabric: Medium weight woven wool. Select: Stitch 10, the blindhem stitch. Set: Attach the 3 foot, the Blindhem foot. Engage the IDT™ system. Sew: Fold up the hem on a piece of wool. • Adjust the red guide as needed so you catch just a thread from the fold with the left swing of the needle or adjust the stitch position. • Sew the blindhem with the fold riding along the red guide of the foot.	• Your PFAFF® passport™ 3.0 sewing machine has two blindhem stitches - one for woven fabrics and one for stretch fabrics. • Stitch length and width are automatically set but can be changed. • The Blindhem foot can be fine tuned for perfect invisible hems on many different fabrics. • Great for garments and home décor. • Would you like to see more?

Continue to demonstrate using the techniques in Phase 2

PHASE 2

TECHNIQUE	SEWING	TALK ABOUT
SEAM & OVERCAST STITCHES 	Fabric: Sweatshirt fleece with an inside curve cut across one edge and one piece of ribbing, folded in half. Select: Stitch 13, closed overcast stitch. Set: Snap on the 3 foot, the Blindhem foot. Engage the IDT™ system. Sew: Lay the ribbing onto the curved edge, stretching it slightly and matching the raw edges. • Sew along the curved edge, with the right swing of the needle off the edge of the pocket.	• The overcast stitches sew a seam and finish edges on stretch fabrics in one easy step. • Stitch length and width are set automatically. • Use the needle up/down to help sew around curves.
HEIRLOOM	Show: Petite Heirloom Neckroll Pillow. Fabric: Starched linen with stabilizer. Select: Stitch 61, Entredeaux stitch. Set: Snap on the 1A foot. Engage the IDT™ system. • Insert a wing needle. • Thread with 50 weight cotton thread on top and in the bobbin. Sew: Sew the stitch.	• Create the look of hemstitching with a wing needle. • Choose from a variety of built-in stitches specifically for heirloom techniques. • Wouldn't you love to use these stitches to create texture or attach lace and trim? • PFAFF® IDT™ system feeds the finest fabrics smoothly and evenly for truly professional results.
FREE-MOTION QUILTING AND SEWING	Show: Quilt sampler with free-motion quilting. Fabric: A piece of cotton batting between two pieces of quilter's cotton fabric. Select: Straight Stitch, 00. Set: Disengage the IDT™ system. • Lower the feed dogs. • Attach the optional Open toe free-motion foot. Sew: Stipple in free-motion. • Let your customer stipple on the same piece of fabric.	• Free-motion is easy with your PFAFF® passport™ 3.0 sewing machine. • Stipple quilting and thread painting are easy. • Try it! It's that easy! • All of your quilting will be precise and beautiful.
